Welcome to Te Whare Wānanga o Tāmaki-makau-rau, The University of Auckland, New Zealand's leading university. Welcome to the Fale Pasifika on the City Campus.

The University of Auckland is situated in New Zealand's largest city, with the biggest population of Pacific people in the world. Our Centre for Pacific Studies teaches Pacific Studies, Samoan, Cook Islands Māori and Tongan, and provides support for students and researchers of all things Pasifika.

Pacific role models are easy to find at The University of Auckland, because there are almost 2,000 Pacific students, over 50 Pacific staff and many notable Pacific graduates.

Opened in 2004, the Fale Pasifika on the City Campus is the second-largest fale in the Southern Hemisphere. It houses the Centre for Pacific Studies, and is a centre of excellence for Pacific research, teaching and learning, and provides a space for discussion and support.
